

DATE: August 17, 2015

TO: Deans

FROM: [Redacted]
Vice President for Academic Affairs

SUBJECT:

Summer schedules are developed to address program needs, requirements, and expectations. Summer schedules, of course, also reflect any summer break that may exist.

The needs of the program must be considered in a signing faculty to the summer session context, the following guidelines apply:

First, the appropriate schedules are developed.

Each college shall determine their own obligations to students.

Available summer sessions shall be available collectively pursuant to policy or applicable agreement.

Cc: Diane Alperin, Vice Provost
Academic Affairs
